President's Foreforeword

~ Jason Spouse

Welcome to the 2013 season.

Well this is my first Newsletter introduction as President (great to see the newsletter back) and it's been a very busy pre-season for both the higher grade players, coaching staff and board.

It's a pretty exciting time at the club, especially with the re-development plans moving along. If you haven't seen them please have a look at <http://www.shc.org.au/2013/02/13/draft-master-plan-for-new-pitch-and-tennis-courts/>. This re-development will be the biggest change to the club since getting the first artificial pitch and will provide us with a fantastic playing and viewing venue that will be second to none in the State.

Year of the Volunteer

We are officially naming this year the "Year of the Volunteer". We all lead busy lives and we all have plenty to do outside of hockey – **BUT** we are a volunteer run club and having equipment to play with, umpires, coaches, food in the canteen etc. doesn't happen by accident. It takes helpers to do all of these things – so please make an extra effort this year to do some helping around the club – an

hour here or there will not disrupt your life too much but will greatly improve our club.

Canteen

We are in the process of re-vamping the canteen. We are getting a new COFFEE machine which will give us Café quality coffee. Other items we are getting include;

- Soups
- Salad Rolls/Wraps
- Fruit Salads
- More Toasted Sandwiches
- Hotdogs

Cathy Lewis has been doing lots of work on this and is looking for people who can provide soups and or help make the rolls/wraps on Saturday Mornings please contact Cathy if you can (0417 979 424 or Cathy.Lewis@sa.gov.au)

We are also looking at integrating the BBQ's into the canteen and making them a more regular occurrence during the year.

New Database

As most of you are now aware – there is now a new database being used by Hockey Australia starting this season. We seem to have it up and running

Thanks to our sponsors for their continued support.

reasonably well so far – thanks to Kerry Kitto and Sheryn Foord for attending the training and getting skilled up. If you are having any issues registering please contact Kerry (juniors@shc.org.au) or myself (president@shc.org.au).

Coaching Staff

As most of you would know we have a new look coaching team this year. We have now filled all of our senior coaching positions.

EFTPOS

We have an EFTPOS machine this season. The EFTPOS machine can be used to pay fees, buy uniforms or apparel and it is hoped it will make everyone's life a bit easier. Unfortunately it can't be used for Bar purchases, sorry...

PL Men & Women Help Mt. Gambier Celebrate New Pitch

Friendly Games, Coaching Clinics & Social Atmosphere.

The March long weekend wasn't spent relaxing by the pool for some.

The Premier League men from both Seacliff and Grange Royals Hockey Clubs, along with the Premier League women from Seacliff, travelled to Mt Gambier for the unveiling of their brilliant new blue turf and some friendly preseason games.

the Lower South East teams battled out in day one of the friendly mini tournament.

Sunday arrived and Seacliff players fronted up to take a healthy number of Lower South East juniors through a coaching clinic for most of the morning. Both parties enjoying the session and sausage sizzle after and it was great to see boys and girls in such

'Seacliff players took a healthy number of LSE Juniors for a coaching clinic [Sunday morning]'

The Seacliff teams arrived at the clubrooms late Friday night to a welcoming group from the host association who had kindly offered the venue for accommodation. The Players settled in for the night, ready for a tough weekend.

Midday Saturday saw a huge hometown crowd turn out for the official pitch opening ceremony and ribbon cut.

After the official business concluded, the games were on. The Seacliff, Grange and

large numbers out early to learn some new skills.

Sunday midday and the playing continued, again in front of a large number of hometown spectators. Games over the weekend continued through humid and hot conditions pushing both players and officials. "The Seacliff men's team was reduced from a squad of 14 to a bare 11 which included Daz and Wombat by the end of the weekend. The result vs Grange on Saturday was even
