2013 BOARD

Helen Stone, Chair

- Forestville Hockey Club, SA Women's Masters Representative
- Project Officer, School of Pharmacy & Medical Sciences, University of South Australia
- Bachelor of Pharmacy (SAIT), Bachelor of Science (Adelaide University), Member of the Pharmaceutical Society of Australia
- Currently chairs the Hockey SA Women's Masters committee
- Served on the Hockey SA Board since 2008

Gerry Cawson, Deputy Chair

- Over 30 years involvement in playing, coaching, umpiring and administering hockey in England, Hong Kong and Australia
- Former Partner of Minter Ellison lawyers in South Australia
- Currently works for Kain C+C Lawyers and is regarded as one of the leading corporate and commercial lawyers in South Australia
- Served in the Hockey SA board since 2011

Sarah McEachern, Director

- Involved in hockey as a player for 17 years and 10 years in an administration capacity
- Manager in Business Consulting Services at Edwards Marshall Chartered Accountants
- Bachelor of Commerce (Accounting), University of Adelaide
- Member of the Institute of Chartered Accountants
- Member of the Taxation Institute of Australia

Andrew Ellis, Director

- Extensive experience in national and international senior management roles for a decade
- Currently sits on a number of Boards
- Member of Australian Institute of Company Directors
- Bachelor of Engineering (Mechanical)
- Masters in Project Management and an MBA
- Served on the Hockey SA Board since 2012

John Haynes, Director

- Over 40 years involvement in hockey in SA as a player, administrator and coach
- Currently is the President of Adelaide Hills Hockey Club
- SA State representative from U12 to senior level
- A strong focus on junior development with 26 years of coaching experience
- Masters in Educational Leadership and Management
- Served on the Hockey SA Board since 2012

Robert Foord, Director

- Founder of The Proud Australia Group of Companies
- Over 35 years experience in the private sector of Australian and international businesses
- Current Chairman of Proud Australia Group of Companies, Travel Auctions Australia Pty Ltd, The John Fawcett Foundation, the Adelaide Entertainment Centre
- Awarded the Centenary Medal for Services to tourism in 2003

Juliet Haslam OAM, Director

- An iconic South Australian sporting personality, involved as a high performance hockey athlete from a young age.
- Awarded the Order of Australia Medal in 1997 along with titles such as the 'Best of the Best', 'South Australia's Best Ever Sports Star Award' and inducted into the the SA Sporting Hall of Fame.
- An integral member of the dominant Hockeyroos that reigned supreme from 1993 to the Sydney 2000 Olympics.- named as the Australian Women's Team of the Century.
- Bachelor of Commerce and is currently Business Development Manager with the Longridge Group.

Nicole Nott, Director

- Involved in hockey as a player for 30 years with Port Adelaide Districts Hockey Club.
- A Registered Occupational Therapist with post graduate qualifications in Ergonomics.
- Owner and Director of Sitemed Pty Ltd, earning a prestigious National Telstra Business Award in 2013.
- Current board member of Paramedics Australasia and a Fellow of the Governors Leadership Foundation. representative from U12 to senior level

If 2012 was a year of challenges, 2013 was the year of opportunity.

The Board continued to strive towards excellence in governance. Hockey SA received the results of the 360 Review from the Office for Recreation and Sport. Thank you to all members that contributed their thoughts to this review. For the Board, this represented a base line for future reviews, and was conducted before new staff appointments, very soon after the appointment of Darryl Buchanan as CEO, and before a number of initiatives had been implemented.

The 360 Review resulted in an Action Plan which was required under our sustainability grant requirements and this has in turn contributed to the Strategic Planning sessions held by the Board. The State Government also commissioned a review of the current governance structures and practices within Hockey SA. Our governance was compared to the Mandatory Sports Governance Principles from the Australian Sports Commission. This report concluded that HSA has for the most part "good quality and high functioning governance structures and practices". The Board was "commended for its high calibre and level of functioning". While the Board was confident of the results of this review following on from its own internal review the preceding year, we continue to work with the Office for Recreation and Sport to ensure we continue to improve our practices.

The Board welcomed Juliet Haslam OAM, Nicole Nott and Robert Foord in 2013. They brought a range of business experience and, of course, national hockey success experience to the Boardroom. Increasing stability for the Board by moving to three year terms under our Constitution is one area our structures can improve and I hope this change to the Constitution is adopted at the 2014 AGM.

Hockey Metro Executive has evolved into the Metropolitan Competition Committee. I thank this hard working group for their contribution

to the metro competitions format, structure and guidelines. The change has resulted in clearer understanding of roles and responsibilities for both the committee and staff. While the positions on the committee will no longer be open to a vote, expressions of interest will be called for annually; maximum terms have been set and commitment to balanced representation on the committee reinforced.

The "Pines" Stadium finally has had a major upgrade and we were delighted to host Susan Close MP to formally open the new pitch. The second international pitch at the State Hockey Centre is the most significant upgrade to the facility in 25 years- in fact since it was built. Many people contributed their time and energy to the campaign over a number of years and Hockey SA was delighted to see a number of those people at the pitch opening ceremony - thank you all! This project was delivered "on time and on budget". All involved can be very proud of this achievement. The second pitch has changed the way we can use the stadium and we look forward to building strength within our community, optimising training opportunities for our State and development program athletes as well as working to attract National and International standard events to South Australia. Alongside the second pitch construction was a major upgrade to the stadium lighting on the pitch one. It was an impressive sight to see all the lights on for the Men's Premier League Grand Final 2013.

In a much smaller way, but no less appreciated, the building itself has had a new reverse cycle air conditioner installed that services both the staff offices and the upstairs members area. We know you will enjoy the warmth on cold winter days and nights!

The National Women's Masters Tournament was the first National Tournament held using the upgraded facility. The period leading up to, and during, the tournament was a true test for our staff. Handover of the new pitch was only a matter of a couple of weeks before both the metropolitan competition finals and the

tournament. However, the tournament was an operational success. SA fielded a team in each division of the tournament and hopefully some of those new State athletes will continue to compete in State Masters in coming years. Thank you to the volunteers who helped out with many of the tasks necessary in hosting a national tournament.

The South Australian hockey community has been delighted to hear of the continued success of Georgie Parker, Karri McMahon and Jane Claxton in the Hockeyroos as well as Holly Evans in the National Indoor team. We look forward to their continued success in the lead up to the World Cup in 2014.

While we have welcomed and farewelled some staff in 2013, it is extremely pleasing to see stability emerging in our staff group. We have a small but passionate team at Hockey SA and the thanks of the Board is extended to the whole team, led by Darryl Buchanan for their continued hard work and vision for the future of hockey. Increasing engagement with our members via social media has been an exciting improvement in 2013. Tweeting and posting significant events, game scores, photos and game updates as well as the emerging opportunities of online direct streaming of AHL and other National and International competitions has increased the accessibility of hockey to a wider audience. The

new IMG database system, while experiencing a number of teething problems (some of which we are still working to improve), has enabled better interaction with members via direct newsletters; streamlined and online uniform ordering; State team paperwork requirements and data collection.

I am delighted to note the positive outcome in our consolidated finances for this reporting period. Thank you to Darryl Buchanan and the Finance and Audit subcommittee, chaired by Sarah McEachern, for delivering this excellent result for 2013. Ensuring a stable financial position for the Association is a matter of keen interest for all our members and we, the Board and staff, are very pleased with our current direction.

2014 will be an opportunity to build on the stable foundations built over the past reporting period. Fixture management, coach and umpire development and reviewing our higher level athlete performance are all issues that will receive considerable attention in coming months. We welcome input and involvement of all our members and encourage everyone to participate in all the development opportunities we can offer.

Finally, my thanks must go to the continued and much appreciated support of the Board. The Directors are incredibly generous with their time and expertise, their knowledge and passion for continued improvement and progression.

Helen Stone
Chair, Board of Directors

Under 9's exhibition game at the official opening of the 'second pitch'

During the past twelve months Hockey SA has continued to implement changes aimed at improving the delivery of programs and services that we offer to our members and the community; while striving for greater financial sustainability. It has been an exciting period as we have welcomed the completion of the second international pitch at the State Hockey Centre – completed on time and within budget.

Governance
A reinvigorated Board has spent much time addressing contemporary issues faced by state sporting organisations. This has included benchmarking and updating our board governance systems and policies in accordance with the Australian Sports Commission's Sports Governance Principles.

Together with our key funding partner – the SA Government's Office for Recreation and Sport – we have participated in a 360° Review Survey. Through this initiative we have received feedback from our membership and stakeholders in key areas of their interaction with us including experiences and relationships; aspirations for the future; current needs and expectations. Key trends and themes are being analysed with action plans devised for implementation in 2013-14.

The Board and CEO contributed to a review of current governance structures and practises within Hockey SA which compared our Association to contemporary governance principles being adopted by the Office for Recreation and Sport who in turn are aligning with the Australian Sports Commission. Actions resulting from this review will be developed and implemented during the forthcoming year.

In parallel the Board and CEO has commenced the process of developing our next strategic

plan including a detailed analysis of performance against the expiring plan.

Management, Operations and Programs

Substantial changes to staffing have been effected covering all management areas of the Association. A dedicated marketing and events role has delivered key support in the area of communication. Our website content has undergone a major overhaul while much increased social media output has been well received by our membership.

Our high performance and development programs are undergoing significant change to align them more closely to our national programs and initiatives.

The appointment of a new State Sports Institute Head Coach by the Office for Recreation and Sport has seen the beginnings of an even closer working relationship with our Athlete and Coach Development Manager. Our high performance programs are being reviewed to increase depth of numbers with more rigorous programs being introduced from the under 13 age groups through to AHL.

A major focus will be in the area of coach development as we seek to address low levels of qualified coaches – particularly at elite levels. We will address this issue from grassroots levels and in conjunction with the national HockeyEd program.

We have continued to increase and service our Hookin2Hockey centres and aligned with this have covered numerous school visits both in the metropolitan and regional areas.

An overhaul of our umpire development program is underway aimed at increasing the quality and depth within our umpiring ranks. This should also provide increased national representation opportunities particularly for female umpires.

We have also taken great pride in acknowledging the achievement of umpire Tim Pullman who officiated at the 2012 London Olympic Games.

Once again the state was well represented by players at both male and female junior international levels with a range of talented female athletes also playing in senior tournaments across the year. We have acknowledged a shortfall in representation in national senior men's teams and will commence to address this in the coming period through our player development pathway initiatives.

The Association successfully hosted a range of national tournaments during the past twelve months including under 21 women, under 15 men, national primary schools and the university games.

2013 - U18 SA State men

Facilities

Work was completed on the replacement of the pitch lighting at the State Hockey Centre once again bringing the facility up to international level. As mentioned above, the second international pitch was completed and brought online for a Metropolitan Competition final followed closely by the National Women's Masters Championships.

Acknowledgments

The support of our Members and Sponsors continues to be invaluable in operating our sport.

I wish to thank all Members of Hockey SA for their dedicated volunteer input to our sport. I acknowledge The South Australian Government, the Office for Recreation and Sport, SASI, Just Hockey, Amadio Wines, Kukri, Balfours, Haigh's Chocolates and the McLaren Vale Beer Company for their continued financial assistance which we value greatly.

I thank the Board of SA - particularly Chair Helen Stone - and our various operating committees for another year of dedicated volunteer engagement. While the Board continues to govern our sport in tight economic conditions, the advent of our new second pitch at the State Hockey Centre will provide avenues for greater economic sustainability of our organisation from 2013-14.

Darryl Buchanan

Chief Executive Officer

A number of South Australia representatives umpired at National Championships in 2013 from under 13's to AHL and Masters, while Tim Pullman, Matt Claxton and Rosie Stern represented SA at International tournaments.

World League Finals - Women, Argentina

AHL & STATE TEAMS PROGRAMS

At a national level, Hockey SA again participated in all Hockey Australia National Championships. It was pleasing to see a strong representation in national teams and the opportunities afforded to our four Hockeyroos and our Kookaburra resulted from their hard work and dedication not only this year but year's gone past.

SA players were also selected in many other National teams including: Masters and Country; and National Development Squads.

At National Championships results this year were mixed; the highlight being the under 21 women (3rd position) and under 21 men (4th position). Congratulations to Karri MacMahon who was awarded the AHL Player of the Tournament.

A big thank you must go to all coaches, support staff and selectors who volunteer their time to ensure our AHL and state teams program is run professionally and the athletes have a positive experience. We especially note physiotherapist Tim Bass and staff who continue to support our program in a highly professional manner.

ZONE & CLUB CHAMPIONSHIPS

The State Junior Zone and Club Championships continue to be a success and enable many players to press for selection in our state teams.

These teams are strongly supported by our member clubs and associations for which we are extremely appreciative.

Thank you also to our venue hosts; Port Adelaide North East, Adelaide University and Grange Royals hockey clubs.

2013 winners:

U18 Men - City East Strikers

U18 Women - City East Strikers

U15 Boys - City West Mariners

U15 Girls - Barossa/Riverland

U13 Boys - Whyalla

U13 Girls - Lower South East

2013 was a busy and successful year for the SASI Hockey program with many athletes achieving excellent results.

During the year the squad was involved in a range of competitive on pitch sessions and 'expression sessions' where athletes were given opportunities to develop skills of their choice.

Off the pitch athletes worked hard in the gym two to three times a week, specifically focusing on hockey specific strength work. They also had targeted speed and agility sessions along with weekly Pilates sessions aimed at improving core strength and preventing injuries.

In 2013 the hockey program introduced Injury Prevention strategies including the weekly Pilates sessions & twice yearly musculo skeletal screening.

Looking specifically at the athletes, the following milestones were achieved:

At the end of 2012 Jane Claxton was offered a full AIS Scholarship, along with Karri McMahon, Georgie Parker and Bianca Joyce

During 2013, Jane Claxton made her senior debut for Australia. Alongside Karri McMahon and Georgie Parker, Jane played in the World League Three finals and The International Super Series - where the Hockeyroos won Gold Medals at each event. Bianca Joyce was the fourth SASI athlete to be part of the Hockeyroos team for the International Super Series.

Cameron Joyce and Edward Chittleborough both had very busy years with National Junior commitments. The year started with Cameron (captain) and Ed both winning the gold medal for Australia at the Youth Olympic Games in Sydney. They were involved in numerous camps and the National Junior Squad European Tour. and both were rewarded with selection in the Burras Junior World Cup squad after the National Under 21 Championships.

Karri McMahon and Jane Claxton also had busy years with the National Junior Team, culminating in them both making the final team and representing Australia at the Junior World Cup in Germany. Unfortunately the Jillaroos had a heart breaking loss to England in the Quarter Finals.

Local athletes Leah Welstead and Emily Grist had exciting years. Both were named in the Jillaroos Junior World Cup Squad of 25 selected after the 21's Nationals. They then both played in a series against the Hockeyroos in Perth, a wonderful opportunity for two young athletes.

Scott Germein was selected in the combined SIS/SAS team to play the USA in a series, and also was invited to attend the men's national 'Super Camp' in Perth.

Perth based Tom Wickham was selected in the National Development Squad. He was also selected in the Australia 'A' team which toured China.

In closing, 2013 was an exciting year for the SASI Hockey Program. The good result of South Australia's hockey athletes show the amount of determination and hard work our athletes continue to put in. With this I would like to thank all volunteers and staff at SASI who made valuable contributions directly to the Hockey program and in turn the athletes.

Tim White
SASI Head Coach

MENS MASTERS REPORT

The 2013 Mens Masters committee worked extremely hard to ensure that SA had a larger number of teams participating at Homebush in Sydney.

The committee expanded this year and it is pleasing to see the younger masters players taking a keen interest in the committee. It took a great load off of the long serving members and we thank you.

Special thanks to Ric Roberts our delegate to AMHC and our tireless fundraising & supporters group - Jan Ellis, Brian Roberts and their many helpers.

In 2013 five teams represented South Australia and finished in the following positions:

Over 40's Division 2 4th

Over 45's Division 1 6th

Over 55's Division 1 5th

Over 60's Division 1 6th

Over 65's Division 1 6th

This is not indicative of the standard of games that SA played, as many were lost by one goal.

Terry Horne won the player of the series for the 55's grade.

A number of SA representatives were chosen in National teams and we wish them well for their representation at the World Cup in The Hague in June 2014.

Neil (Stan) Matthews

Chairperson

Over 45's Master's mens team

WOMENS MASTERS REPORT

Caroline Wood accepts her Award of Merit from Sue Briggs
Source: Bill Purvis Photography

In May 2103, Margie McIlwraith and Jenny Kiel represented Australia at the Trans Tasman Hockey Championships in New Zealand, with Kris Weir also selected as a massage therapist for the tour.

The National Women's Masters' Championships were held here in Adelaide in 2013, with South Australia nominating teams in all 6 age groups. The Over 60's team performed well, progressing to the Semi Finals.

Two South Australian players were selected to represent Australia in upcoming tours in May 2014, being Annie Davies and Jenny Kiel.

South Australian Over 35's and 40's received the Hockey Australia Play the Whistle Awards 2013

Caroline Wood was presented the prestigious "Award of Merit" from Hockey Australia at the Opening ceremony for the Championships, for her extensive contribution to Women's Masters hockey.

Jacqui Chappell

Chairperson

HOCKEY METRO REPORT

This year has been a rewarding and challenging period for the Metropolitan Competition Committee, with the Board conducting a structure review of the Hockey Metro Executive (HME) committee.

After deep consideration, the organisational system shifted from an elected body with revised terms of reference to a board appointed sub-committee under the new auspices of the Metropolitan Competitions Committee (MCC).

Previously the HME was tasked with administration of the metropolitan competition, however due to the restructure, this will now be the responsibility of Hockey SA staff. The MCC will now focus on policy development, advocacy and rules review; with membership to be expanded to reflect a balance between Premier League and non-Premier League clubs.

The Metropolitan Competition Committee now consists of: Craig Sinclair (Chair), Ally Newcombe, Jim Hughes, Paul Bond, Rachel Andrew and Hockey SA Chief Executive Officer Darryl Buchanan. Thanks are extended to Dave Edwards for his many years of contribution to the HME.

A comprehensive review of the competition rules for 2013 and beyond was undertaken with the intent to simplify the rules by addressing any inconsistencies identified and producing a document that is easier to interpret and apply.

Acting on the feedback provided by clubs and members of the Board, MCC has made significant progress towards meeting these goals.

In terms of policy development, the MCC has also spent some time working on developing policies covering:

1. Fixturing
2. Finals fixturing
3. Promotion and Relegation
4. Pitch inspection/conditions

During the coming year, MCC will continue to refine and review existing policies and continue to work closely with the Hockey SA CEO and staff to build exciting new opportunities for the junior divisions; and umpire and coaching development programs with the goal of strengthening the base for the sport in the metropolitan area.

The MCC is particularly excited by the changes to the competition format for the Under 9's and the development opportunities offered through collaboration with the Australian Sports Commission (ASC) in a pilot project between Hockey SA, the ASC and the Adelaide Hills and Enfield Hockey Clubs.

Finally, with the opening of the second international pitch at the State Hockey Centre, hockey in South Australia is set for exciting times ahead.

The Metropolitan Competitions Committee thanks all clubs and players for their continued support during season 2013.

Craig Sinclair

Metropolitan Competition Chair

Premier League Men's final - North East v Seacliff
Source: Bill Purvis Photography

GAME DEVELOPMENT REPORT

Coach & Officials Development

The Hockey SA Game Development Officer met with clubs prior to the commencement of the 2013 season to develop coaching and umpiring development programs delivered by Hockey SA and approved club coaches.

Throughout the year thirty eight coaches and twenty six umpires completed their Hockey Australia (Hockey Ed) accreditations. This number put South Australia as the third most active state/territory in Australia for coach accreditation numbers and fourth in umpire accreditations. Hockey SA aims to increase these numbers in 2014 and provide additional coach and umpire education opportunities.

Thank you to all coaches and umpires who assisted in providing educational opportunities to the clubs.

2013 July Schools Holiday Clinics

Over the July school holiday period, Hockey SA delivered clinics to over 200 kids across the state. This was a fantastic result given that it was the first year the clinic had been conducted.

In conjunction with the Office for Recreation and Sport, Hockey SA took the opportunity to arrange a come and try clinic with young Indigenous kids in both Port Augusta and Berri. Having not conducted such a clinic in a long time, the expectation as to how many kids would attend and the sessions were seen as something of an investigatory exercise to determine the interest level of regional Indigenous communities.

2013 H2H Centres

'HookIn2Hockey' is Australia's grass roots feeder program for competitive Hockey. In 2012-13 South Australia had over 15 'HookIn2Hockey' Centres registered. In 2013 these centres provided over 200 juniors with the opportunity to develop their hockey skills in a fun environment.

There were a number of successful Hook In2 Hockey centres throughout SA, with a number of clubs assisting in the Hockey SA 'Hook In2 Hockey' Schools program, helping to create a link between local schools and their club.

2013 Hook In2 Hockey Schools program

The 'Hook In2 Hockey' Schools program aims to introduce students to the sport and provide a link between the schools and Hook In2 Hockey club programs.

In 2013 Hockey SA continued its 'Hook In2 Hockey' Schools program, delivering clinics to over 50 schools throughout the state. The school clinics were delivered in outer city areas including the Barossa Valley, Fleurieu Peninsula and the Adelaide Hills as well as all metropolitan areas. The schools program worked alongside the Onkaparinga and Tea Tree Gully SAPSASA catchment areas to deliver sessions and increase awareness and participation to their SAPSASA districts.

Thank you to all club members, coaches and officials for their assistance in the development of Hockey across South Australia throughout 2012 and 2013.

Hugh Purvis

Hockey SA Game Development Officer

North East SAPSASA Clinic

**LIFE MEMBER INDUCTION
BEV JACOBS**

Beverley Jacobs (Bev) began her playing career in 1958 with Aroha Hockey Club. In 1966 she moved with her husband to Port Pirie and joined the St Andrews Hockey Club. A player for more than 45 years, Bev has represented South Australia at the National Veterans Championships from the first competition in 1984 and every year between until 2004.

Bev accepting her Life Membership at the 2013 Hockey SA Amadio Wines Awards Night.

Named in her first Country Team of the Year in 1973, where she was also a member of another three - Bev was a regular player in the Country Carnival and other inter-area carnivals; and more often than not - was the organiser, manager, motivator and fill in player and coach representing Port Pirie.

Bev was a key organiser and member of the Port Pirie team at the annual State Masters Hockey Carnival at Woodville Hockey Club since it began in 1985; And was one of the dedicated local organising committee who ran the carnival when it was staged in Port Pirie in 2004, 2006, 2008 and 2010. As

Between 2005 and 2011, Bev was a National Selector for the Australian Women's Masters teams and at her own expense travelled to championships in New Zealand and Newcastle to evaluate the selection methods used by the National Veterans Panel. She has also been a selector for the South Australian Women's Masters Teams for the past 9 years.

Bev is a member of the Vets Hockey Club since its inception in 1999 and has also coached, umpired and been a technical bench official over her impressive hockey career. Retiring her hockey stick in her early sixties, with nearly 1200 matches under her belt; Bev currently acts as a delegate at Association meetings and continues to assist coaching the Division 3 women.

The Bev Jacobs Trophy is awarded annually at the Women's Masters Hockey Carnival. Bev is also a Life Member of St Andrews Hockey Club (Port Pirie Association).

Beverley (fourth left, top row) a member of the 1973 Country Womens Team of the Year.

**IN MEMORIAM
GEOFF COOMBES 1933 - 2013**

Hockey SA Life Member Geoff Coombes passed away on Tuesday 29 January 2013, one day short of his 80th birthday.

Geoff came to Australia with his family in 1947 from Lovedale, India and began his hockey career at Sturt (Adelaide) Hockey Club.

Making his debut for the SA State team in 1952 and named in sixteen representative teams till 1968, Geoff made appearances at Australian Championships well into the 1970's.

Playing most of his career as a forward or half-back, Geoff was notorious at centre half and was a reputable senior coach as well. *The International Hockey Magazine - The Hockey Circle*, May 1968 stated, "Is there any other person who can boast such a fine record?"

Geoff made his debut for Australia in 1967 as Vice Captain against New Zealand and was

known as one of SA's best sportsman of the time.

Geoff had an instinctive ability to understand the game of hockey and adapt his playing style to be a threat at almost any position. At the age of 41, and still in peak condition, he continued to be a tough opponent on the hockey field.

A true team man; Geoff was competitive but fair and always had the time for team mates, with South Australian and Australian players eager to be mentored by the sports legend.

To many he was much more than a unique hockey player and coach, he was a great friend and mentor who was always a tireless supporter of hockey in SA for over forty years.

Geoff was and always will be a man held in great esteem within the SA hockey community.

● SOUTH AUSTRALIANS with the Redex Cup won in an inter-State Summer series with Victoria. The South Aussie players (from left) are Geoff Coombes, Leo Darroch (vice-captain), Alan Nairn (manager), Carrol Reynolds (captain), Keith Stevens and Don Mitton.

OFFICIAL OPENING OF THE SECOND PITCH

In the 25th year of the “Pines” – as we colloquially call the State Hockey Centre – the SA Government joined Hockey SA on Saturday September 14th to officially open South Australia’s second international accredited hockey pitch at State Sports Park which was built concurrently with a major lighting upgrade to the existing main pitch. These two major projects were funded by the SA Government’s Office for Recreation and Sport at a cost of \$3.3million.

The cutting of the ribbon to officially open the pitch was conducted by Dr Susan Close, Member for Port Adelaide and Parliamentary Secretary to the Minister for the Public Sector. Moments earlier Hockey SA President Helen Stone and Dr Close spoke of the importance of the facility in gaining opportunities to showcase world class hockey in South Australia.

The day commenced on “pitch two” with the Metro 1 Women’s Grand Final between Port Adelaide and St Peter’s Old Collegians - the first game to be played on the new pitch.

Following Port Adelaide’s Metro 1 women’s victory, Hockey SA showcased its future with eight teams of under 9 boys and girls playing exhibition matches and joined on pitch by SA’s sole senior Australian men’s squad member Tom Wickham. Each of the players wore red or blue shirts with *“Hockey – the Game for Everyone”* emblazoned across their backs.

The day concluded with Premier League women’s and men’s finals on pitch one.

Under 9 boys and girls

Dr Susan Close, Member for Port Adelaide - officially opens the second international pitch at the State Hockey Centre

Opening Ceremony
Source: Bill Purvis Photography

Ten years since Adelaide previously hosted the Australian Women’s Masters Championships in 2003, the championships returned to the State Hockey Centre on September 26th, 2013 shortly after the official opening of the new ‘second pitch’.

More than 700 women’s hockey players and officials from around Australia participated in the largest women’s national tournament in Australia over the nine day tournament. Thirty seven teams from all States and Territories competed across six age divisions.

The planning and preparation for the championships was a challenge considering the number of major events Hockey SA conducted falling within weeks of each other.

An organising committee, consisting of: Darryl Buchanan, Jacqui Chappell, Barry Holdsworth, Annette Hyde, Margaret McIlwrath, Annabel Mugford, Maxine Murden, Katrina Ranford, Helen Stone, Meg Thorpe and Caroline Wood; met to discuss various aspects of the smooth running of the championships.

Apart from the State Hockey Centre, Port Adelaide Hockey Club was chosen as the satellite venue because of its proximity to the SHC and facilities. Thank you to all volunteers and Hockey SA staff for bringing together a successful tournament.

The Championships were officially opened on Thursday 26th with an opening ceremony of fantastic fanfare. All teams assembled on pitch one to the beat of the Unley Concert Marching Band and enjoyed the National Anthem sung by promising eleven year old Adelaide singer Marissa Boyle.

Hockey Australia presented a series of awards to recipients and in the theme ‘its a circus’ - fire twirling performers closed the evening.

During the championships the weather was erratic, with temperatures soaring into the high thirties to rain and howling 45km/hr winds. However the conditions did not hamper the display of high quality hockey and the renewing of many great long term friendships.

Hockey SA ground staff worked hard to achieve the smooth operations of running two pitches simultaneously, despite mechanical issues with the water pump on pitch two.

Considering the number of sporting events occurring at the same time, media attention was limited to sports digest results and an editorial piece in The Advertiser.

Hockey SA maintained up to date match results on the Hockey SA website and through Facebook and Twitter.

The closing day of the tournament was a beautiful day for hockey finals with a large spectator base consisting of participating teams, athlete families and South Australian hockey supporters.

At the completion of the grand finals players were invited to a circus themed end of championship function at the Adelaide Entertainment Centre.

Katrina Ranford
Marketing, Events and Communications Officer

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
OFFICERS REPORT
FOR THE YEAR ENDED 31 OCTOBER 2013

South Australian Hockey Association Incorporated
Officers' report
31 October 2013

The officers present their report, together with the financial statements, on the incorporated association for the year ended 31 October 2013.

Officers

The following persons were officers of the incorporated association during the whole of the financial year and up to the date of this report, unless otherwise stated:

- Helen Stone
- Gerry Cawson
- Sarah McEachern
- John Haynes
- Andrew Ellis
- Nicole Nott (appointed 17 April 2013)
- Juliet Haslam OAM (appointed 17 April 2013)
- Robert Foord (appointed 20 February 2013 and resigned 15 March 2014)
- Jim Tolson (retired 7 April 2013)

Objectives

To encourage, promote, develop and administer hockey as a dynamic skillful and tactical team sport providing participation and enjoyment for all ages and abilities with a strong focus on family and community.

At all times act on behalf of, and in the interest of, the Members and hockey in South Australia and strive for Government, commercial and public recognition of the incorporated association as the controlling body for hockey in South Australia.

Strategy for achieving the objectives

Governance

By showing leadership in the hockey community as a highly regarded and well managed sport with sound financial management systems and governed in accordance with the highest of standards.

Development

Support the growth and development of hockey in South Australia by promoting and building lasting relationships and involvement for players, clubs, administrators and officials at local state and national level.

Facilities

Develop and maintain quality playing and spectating facilities across the state and in turn secure government support and funding to expand the Pines Hockey Stadium facility to a multi-pitch international standard stadium.

Marketing and Communication

Develop and implement a marketing plan that ensures effective communication and promotion of hockey with all key internal and external stakeholders of the sport.

Competition

Increase, improve and maintain participation and patronage for people of all ages and abilities through a range of competitions across the state.

Principal activities

During the financial year the incorporated association continued to be the controlling body for hockey in South Australia.

The above statement of cash flows should be read in conjunction with the accompanying notes

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 OCTOBER 2013

Hockey SA Annual Report 2013

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2013

Note 1. Significant accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The incorporated association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any significant impact on the accounting policies of the incorporated association from the adoption of these Accounting Standards and Interpretations are disclosed below. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the incorporated association

The following Accounting Standards and Interpretations are most relevant to the incorporated association:

AASB 1053 Application of Tiers of Australian Accounting Standards

The incorporated association has early adopted AASB 1053 from 1 November 2011. This standard establishes a differential financial reporting framework consisting of two Tiers of reporting requirements for preparing general purpose financial statements, being Tier 1 Australian Accounting Standards and Tier 2 Australian Accounting Standards - Reduced Disclosure Requirements. The incorporated association being classed as Tier 2 continues to apply the full recognition and measurements requirements of Australian Accounting Standards with substantially reduced disclosure in accordance with AASB 2010-2 and later amending Standards, as relevant.

AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements

The incorporated association has early adopted AASB 2010-2 from 1 November 2011. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations, to introduce reduced disclosure requirements to the pronouncements for application by certain types of entities in preparing general purpose financial statements. The adoption of these amendments has significantly reduced the incorporated association's disclosure requirements.

Financial dependency

The incorporated association continues to rely on grant funding from the Office for Recreation and Sport to assist with its core business activities. Should the incorporated association no longer be entitled to receive grant funding from the Office for Recreation and Sport, there will be uncertainty as to whether the incorporated association will be able to continue as a going concern. The financial statements must be read in the context of this dependency.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), South Australian legislation the Associations Incorporation Act 1985 and associated regulations, as appropriate for not-for-profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention, except for, where applicable, the revaluation of available-for-sale financial assets, financial assets and liabilities at fair value through profit or loss, investment properties, certain classes of property, plant and equipment and derivative financial instruments.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue recognition

Revenue is recognised when it is probable that the economic benefit will flow to the incorporated association and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Grants

Grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

NOTES TO THE FINANCIAL STATEMENTS (CONT)
FOR THE YEAR ENDED 31 OCTOBER 2013

Hockey SA Annual Report 2013

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2013

Note 1. Significant accounting policies (continued)

Grants

Grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Stadium lighting upgrade and second hockey pitch development projects

During the year, the incorporated association substantially completed projects to upgrade the stadium lighting and installation of a second hockey pitch at the Pines Hockey Stadium. Both projects were fully funded by the Office for Recreation and Sport and the improvements made remain the property of the State Government. Accordingly, no revenue, expenses, assets or liabilities relating to both projects have been recorded in the financial statements of the incorporated association.

Income tax

As the incorporated association is a not-for-profit organisation, it has been granted exemption from the Commissioner of Taxation for payment of income tax under section 23(g) of the Income Tax Assessment Act 1936 and 1997 as amended.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Trade receivables are generally due for settlement within 30 days.

Other receivables are recognised at amortised cost, less any provision for impairment.

Inventories

Stock on hand is stated at the lower of cost and net realisable value. Cost comprises purchase and delivery costs, net of rebates and discounts received or receivable.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

Investments and other financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. They are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on the purpose of the acquisition and subsequent reclassification to other categories is restricted. The fair values of quoted investments are based on current bid prices. For unlisted investments, the incorporated association establishes fair value by using valuation techniques. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the incorporated association has transferred substantially all the risks and rewards of ownership.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are carried at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the asset is derecognised or impaired.

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
NOTES TO THE FINANCIAL STATEMENTS (CONT)
FOR THE YEAR ENDED 31 OCTOBER 2013

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2013

Note 1. Significant accounting policies (continued)

Impairment of financial assets

The incorporated association assesses at the end of each reporting period whether there is any objective evidence that a financial asset or group of financial assets is impaired. Objective evidence includes significant financial difficulty of the issuer or obligor; a breach of contract such as default or delinquency in payments; the lender granting to a borrower concessions due to economic or legal reasons that the lender would not otherwise do; it becomes probable that the borrower will enter bankruptcy or other financial reorganisation; the disappearance of an active market for the financial asset; or observable data indicating that there is a measurable decrease in estimated future cash flows.

The amount of the impairment allowance for loans and receivables carried at amortised cost is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. If there is a reversal of impairment, the reversal cannot exceed the amortised cost that would have been recognised had the impairment not been made and is reversed to profit or loss.

Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of plant and equipment over their expected useful lives.

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the incorporated association. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss. Any revaluation surplus reserve relating to the item disposed of is transferred directly to retained profits.

Impairment of non-financial assets

Goodwill and other intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs to sell and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Trade and other payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Employee benefits

Wages and salaries and annual leave

Liabilities for wages and salaries, including non-monetary benefits, and annual leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
NOTES TO THE FINANCIAL STATEMENTS (CONT)
FOR THE YEAR ENDED 31 OCTOBER 2013

South Australian Hockey Association Incorporated
Notes to the financial statements
31 October 2013

Note 1. Significant accounting policies (continued)

Long service leave

The liability for long service leave is recognised in current and non-current liabilities, depending on the unconditional right to defer settlement of the liability for at least 12 months after the reporting date. The liability is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principle market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Provision for impairment of receivables

The provision for impairment of receivables assessment requires a degree of estimation and judgement. The level of provision is assessed by taking into account the recent sales experience, the ageing of receivables, historical collection rates and specific knowledge of the individual debtors financial position.

NOTES TO THE FINANCIAL STATEMENTS (CONT)
 FOR THE YEAR ENDED 31 OCTOBER 2013

South Australian Hockey Association Incorporated
 Notes to the financial statements
 31 October 2013

Note 15. Contingent liabilities

Pines Hockey Stadium - management deed

The incorporated association has a management deed with the State Government for the management of the Pines Hockey Stadium and a deed of charge in respect of monies held in certain bank and other accounts relating to the management of the Pines Hockey Stadium. The incorporated association has undertaken to provide sufficient financial assistance, as and when needed, to enable the continued operations of the Pines Hockey Stadium.

Pines Hockey Stadium - replacement of playing surface

During 2010, the synthetic playing surface at the Pines Hockey Stadium was replaced using funds granted by the State Government. At the time of this replacement, the incorporated association gave an undertaking to the State Government to contribute to any future replacement of the synthetic playing surface at the Pines Hockey Stadium. It is anticipated that the amount and timing of any contribution would be determined by negotiation with the State Government at the time of letting of contracts for the replacement of the playing surface. The useful life of the current playing surface as at the date of this report is estimated to be between 5 to 8 years.

Note 16. Commitments

	31 October 2013 \$	31 October 2012 \$
<i>Lease commitments - operating</i>		
Committed at the reporting date but not recognised as liabilities, payable:		
Within one year	5,086	8,292
One to five years	18,651	-
	<u>23,737</u>	<u>8,292</u>

The incorporated association had no capital commitments for expenditure as at 31 October 2013 and 31 October 2012.

Operating lease commitments include contracted amounts for office equipment under non-cancellable operating leases expiring within one to five years.

Note 17. Related party transactions

Key management personnel

Disclosures relating to key management personnel are set out in note 14.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

Note 18. Events after the reporting period

No matter or circumstance has arisen since 31 October 2013 that has significantly affected, or may significantly affect the incorporated association's operations, the results of those operations, or the incorporated association's state of affairs in future financial years.

Note 19. Related party transactions

Note 19. Related party transactions (continued)

The names of each person holding the position of Director of the incorporated association as at the date of this report are as follows:

Helen Stone - Chairperson
Gerry Cawson - Deputy chairperson
Sarah McEachern
Andrew Ellis
John Haynes
Nicole Nott
Juliet Haslam OAM

(b) Benefits

During the financial year:

(i) No Director of the incorporated association, or a firm of which the Director is a member or body corporate in which the Director has a substantial financial interest, has received, or became entitled to receive, a benefit as a result of a contract between the Director, firm or body corporate and the incorporated association; and

(ii) Other than remuneration received in the capacity of employee of the incorporated association, no Director of the incorporated association has received directly or indirectly from the association any payment or other benefit of a pecuniary value.

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
OFFICERS DECLARATION

South Australian Hockey Association Incorporated
Officers' declaration
31 October 2013

In the officers' opinion:

- the attached financial statements and notes thereto comply with the Australian Accounting Standards - Reduced Disclosure Requirements;
- the attached financial statements and notes thereto give a true and fair view of the incorporated association's financial position as at 31 October 2013 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable.

On behalf of the officers

Helen Stone
Chairperson

27 March 2014
Adelaide, South Australia

SOUTH AUSTRALIAN HOCKEY ASSOCIATION INC
INDEPENDENT AUDITOR'S REPORT

Independent auditor's report

To the members of the South Australian Hockey Association Inc. (ABN 35 860 812 384).

We have audited the accompanying financial report of the South Australian Hockey Association Inc., which comprises the statement of financial position as at 31 October 2013, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' declaration.

The responsibility of the Board for the financial report

The Board of the entity is responsible for the preparation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporations Act 1985* and for such internal control as the Board determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of the South Australian Hockey Association Inc. as at 31 October 2013 and its financial performance for the year then ended in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporations Act 1985*.
