

March 2017

TIGER TALES

All things Tigers in 2017

A SUCCESSFUL START

The Premier League Men and Women enjoyed a successful start to the season during the Pre-season cup. Both teams played a number of games over the first two weeks. The women's team overcame a tough first week against last years grand finalists to qualify for the finals after solid wins against Adelaide and Grange. The games saw some exciting passages of play and gave real hope that the teams can improve going into the season. Unfortunately, the women were made to pay for a sluggish start against Forestville in the first final and were eliminated. The mens team also enjoyed some strong games. After qualifying in the top 2 for the finals, they were forced to go through the hard way after losing the first final to Forestville.

They were able to recover and beat Port to move back to the grand final. After dominating the final for 25 of the 30 minutes, Forestville then took the lead, only for the Tigers to equalize immediately. From there, it went to 1 on 1's, where Mikey Wells again showed why he's a shootout specialist, leading the Tigers to a 3-1 shootout win and \$450 worth of Kookaburra balls... or at least that's what they want!

Now the real stuff begins. The Women will begin this Saturday, March 18 with a game against Uni at West Beach. The Men will begin Sunday at the Pines with a game against Forestville. It would be great to see players and supporters out to watch these games over the weekend.

Pre-season training for all M2-M5 players is now underway on Wednesday night from 6.45-8. Please make sure you attend so we know numbers and are able to select sides. All new players are always welcome. Any juniors who may wish to cut their teeth in lower grade seniors are also encouraged to attend. Please contact president@shc.org.au for more information.

2017 Fee Structure

	Total if paid by 31 May 2017	After 31 May 2017	Hockey SA Fee
